

Win A Cruise!

GetRutherFit Announcement

When the Rutherford County Wellness Committee adopted the GetRutherFit name, the program was solely focused on weight management. Since then, we have expanded our Wellness program to include financial fitness, lunch & learns, CPR training, and more. We are ready for a new face to capture our complete picture!

We need a fresh name – that's where we need your help. Use your creative energies and submit a name for our program. Please provide a suggested logo to accompany the name.
